# TCU Cable FLX 2.24

*FLX2.24 F-port of FlexBox to DQ200 Cable on BENCH MODE CONNECTION*

SKU code: FLX2.24

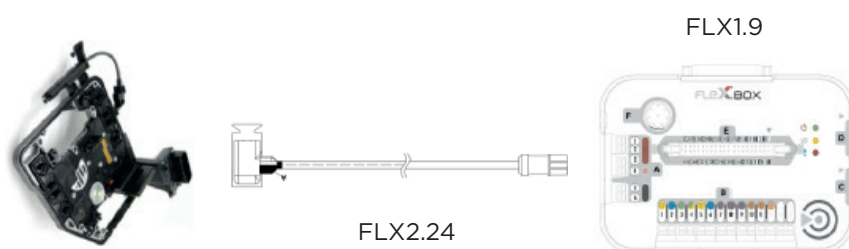

This Cable connects many TCU to the F-port of FlexBox. The goal of the FLX2.24 Cable is to obtain:

- A secure connection mode
- A faster communication speed between TCU and FLEX
- A faster connection between TCU and FlexBox
- A minimal error risk during connection

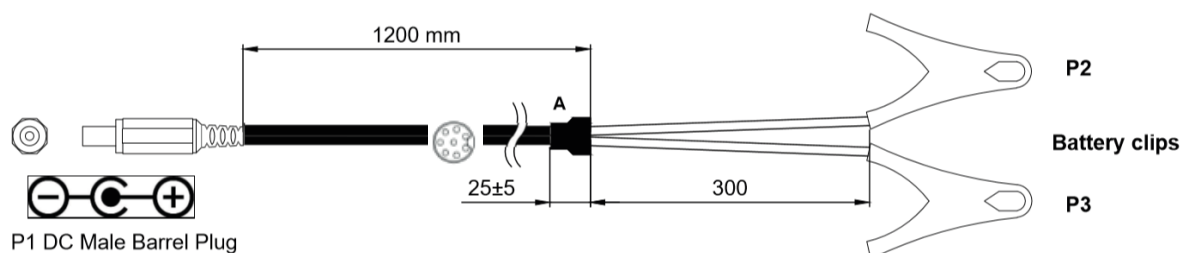

## TCU Compatibility:

- VAG\_TEMIC\_DQ200Dxx
- VAG\_TEMIC\_DQ200-MQB
- VAG\_TEMIC\_DQ200-G2\_PQ
- VAG\_TEMIC\_DQ200

## Additional Accessories:

FLX2.45

## Correct disposal:

Waste electrical and electronic equipment is waste of a particular type consisting of any electrical or electronic equipment that the owner intends to discard as it is defective, unused or obsolete and therefore destined to be abandoned.
